A Field of Dreams

Welcome to Dream Come True Farm, the riding facility dedicated to the needs of the Long Island horse person. We are proud to offer outstanding facilities to both horse and equestrian. Dream Come True Farm is a full service boarding facility and riding instruction center. Built on thirty acres, we are conveniently located just off Sunrise Highway (exit 61) and link directly to the vast Long Island Pine Barrens.

• A Great Place To Ride •

At Dream Come True we offer a diverse selection of riding environments. Choose from one of several of our well tended workout areas. Enjoy the excellent footing of all our manicured rings. We offer a 1/2 mile path which encircles our beautiful property. For the more adventurous, we have a path from our farm which has direct access to the scenic trails of the Pine Barrens, and our 110' 260' indoor arena offers a bright and airy environment for year round riding.

• A Safe Haven for Your Horse •

Our primary concern is for the comfort and safety of you and your horse. Our barns are bright and airy offering spacious box stalls which are equipped with automatic watering, rubber mats and windows that overlook lush green pastures. There are four grooming and wash stalls providing hot and cold water. Daily care such as feeding, turnout and cleaning of stalls are carried out by our caring staff of experienced grooms. We are, of course, dedicated to the health of your animal. To that end we feed only the finest quality hay, combined with quality grain and fresh water.

The paddocks are rotated regularly to ensure ample acreage of lush grasses so the horses will thrive. Horses are turned out daily, weather permitting. We assume responsibility of seeing that all horses receive a scheduled worming. We welcome your private vet and farrier during regular business hours.

• Lessons at Dream Come True Farm •

Whether training for high level competition or just beginning to ride, we have the appropriate instructor for you. Our instructors are experienced professionals who have met our high standards of qualifications for teaching. We encourage you to discuss your goals and prior experience with our riding coordinator so that we can suggest a program that meets your needs and budget.

• We're here to help you •

Should you decide to purchase a horse, we would be pleased to find the right horse for you.

Thank you for coming to Dream Come True Farm. We are here to ensure that your riding experience is satisfying and pleasant. Please contact us with any questions or comments.

WE'RE OPEN YEAR ROUND 7 DAYS A WEEK

Boarding at • Dream Come True Farm •

We offer three different sized stalls for your boarding convenience. Choose the one that is right for you. Grain and hay is fed both morning and night. When horses are not put out on grass paddocks, they will be fed lunch in their stalls.

Paddock management is an essential part of our operation. Because our paddocks are kept healthy, your horses have the opportunity to enjoy lush, healthy grass during the spring and summer months. It is not uncommon for us to have grass well into the beginning of winter.
